#### ANTI-MONEY LAUNDERING POLICY

Onex trade Limited has policies in place to ensure that customers engaging in certain activities are identified to a reasonable standard, while minimizing the compliance burden and impact on legitimate customers.

#### **Terms**

MONEY LAUNDERING is the act of converting money or other monetary instruments obtained from illegal activities into money or investments that appear to be legitimate, so that their illicit source cannot be traced.

National and international laws that apply to companies whose customers can deposit and withdraw funds from their accounts prevent Onex trade Limited, its employees or agents from knowingly engaging or attempting to engage in money transactions involving criminal property.

### PROCEDURES IMPLEMENTED

The aim of the anti-money laundering procedures that Onex trade Limited implements is to ensure that customers engaging in certain activities are identified to a reasonable standard, while minimizing the compliance burden and impact on legitimate customers. Onex trade Limited is committed to helping governments combat the threat of money laundering and terrorist financing around the world.

For this purpose, Onex trade Limited has developed a highly advanced electronic system. This system documents and verifies customer identification records, and tracks and maintains detailed records of all transactions. Onex trade Limited closely monitors suspicious and significant transaction activity and reports such activity by "providing full and timely information" to law enforcement.

In order to maintain the integrity of corporate reporting systems and safeguards, the legal framework provides legal protection to the providers of such information. To minimize the risk of money laundering and terrorist financing, Onex trade Limited
